Please contact your local MITSUBISHI FUSO dealer for detailed specifications and equipment
available in your market.

Lifetime Value, Longer Life

Lifetime value. Lower cost of operation is one important element. Another is longer vehicle life, so the profits keep rolling in. So, besides being fuel-efficient, our trucks and buses require less frequent maintenance. Comfortable and easier to drive and maintain, they reduce driver fatigue, making them safer as well. Built rugged and durable, they are backed by service and support second to none.

Economy

Performance, utility, longevity: Mitsubishi engines have it all. Smooth-shifting transmissions enhance fuel economy.

Design and Drivability

Aerodynamic contours increase fuel efficiency. Drivability and comfort keep drivers fresh and alert.

Service and Support

Easier, less frequent maintenance plus outstanding service mean more time on the road.

Solid investment with long-term value

Performance, efficiency, reliability

The power you need to handle a wide range of cargo applications. From fuel-efficient six-cylinder engines with torque optimized to improve handling and lower costs. Power delivered through smooth-shifting six-speed transmissions. Both built with the quality and reliability for which Mitsubishi FUSO is famous.

Powered for profit

These are engines to count on, with a solid reputation proven on roads worldwide. Their rugged reliability will keep your trucks on the road. Their versatility is second to none. And maintenance is easy when required.

FK 6D16-1A Engine

Piston displacement: 7.545L
Max. output: 140kW(190PS)/2,900rpm
Max. torque: 520N·m(53kgf·m)/1,400rpm

A detailed view of the FK 6D16-1A engine, showing its complex internal components, including the cylinder block, pistons, and a large white fan.

Delivered more smoothly

Built from aluminum, to disperse heat more efficiently and operate more quietly, these five or six speed transmissions have proven their value as smooth operators on roads around the world.

INTERIOR

Safer, Broader Perspective

Comfort and convenience for greater safety

Is this a truck, or a passenger car? It's a truck with the comfort and amenities you expect from a passenger car. Why? Because a driver who can comfortably see more of the road around him and remains fresher and more alert can drive more safely. Ensuring delivery, which is better for business. And lowering the frequency of accidents, which is good for everybody.

Tilttable, telescoping steering wheel
Easy to adjust to the distance and angle most comfortable for the driver.

Better distributed air conditioning
More and more widely distributed vents eliminate hot and cold spots.

Lots of convenient storage
No more distracted driving while reaching at awkward angles.

Three-point ELR seatbelts (Option)
Automatically activated to grip firmly in case of sudden stops or collisions.

Simple is best for trucks driving profit

Easy access makes maintenance simpler

Just press to open. This front panel provides easy access to the windshield wiper fluid and clutch fluid ports, wiper motor and links, air filter, and radiator reservoir tank. Routine maintenance has never been simpler.

Tiltable cab

The cab tilts forward, providing easy access to engine and power train.

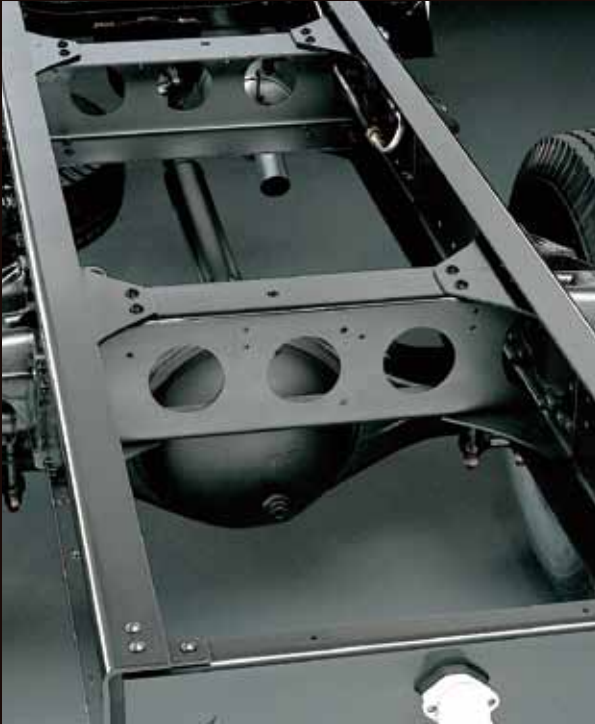

Rust-resistant electroplated undercoating

The electroplated undercoating resists rust and keeps this cab looking beautiful.

Note these important details

Rugged and easy to customize
Build to last, this tough, durable chassis is built with no protruding parts to simplify installing the body of your choice.

- 1

Wide step
- 2

Door grip
- 3

Front pillar grip
- 4

Rear pillar grip (Option)
- 5

Wheel step (FM)

Easy in, easy out
With the features listed above, comfort begins before sitting down.

Panoramic visibility
The big, broad windshield and carefully designed mirror make it easy for the driver to see what is happening around him.

To be seen and be safe (Option)
Fog lamps improve safety by making the truck more visible in fog, rain or snow.

FK

Versatile medium-duty truck with 11-ton G.V.W. Ideal for a wide range of applications.

MODEL	WHEELBASE	G.V.W.	ENGINE	T/M	Body Application
FK617FHL	3,700 mm	11,000 kg	6D16-1A 140 kW (190 PS) 520 N·m (53 kgf·m)	M050S5 5-speed*	Cargo and Others
FK617HHR	4,160 mm				
FK617HHL	4,760 mm				

*FM050S6 5-speed transmission available as option.

FM

Heavy duty capacity (14 – 15.1 ton G.V.W.) with medium-duty handling and driveability.

MODEL	WHEELBASE	G.V.W.	ENGINE	T/M	Body Application
FM617HHR	4,280 mm	14,030 kg	6D16-1A 140 kW (190 PS) 520 N·m (53 kgf·m)	M060S5 5-speed	Cargo and Others

Great quality, great support

Here when you need us
Mitsubishi FUSO dealers are staffed with highly qualified technicians.

Ready to meet any test
Mitsubishi FUSO vehicle designs are rigorously tested, on the road as well as on our state-of-the art test track.

Quality gates
No Mitsubishi FUSO truck is delivered to customers without first passing through 11 quality validation gates that are integral parts of the FUSO Product Development System.

MITSUBISHI FUSO GENUINE PARTS

Accept no substitutes
Only genuine Mitsubishi FUSO parts are designed and built to the strict quality standards required for best performance.

MITSUBISHI FUSO GENUINE SERVICE

Quick and reliable service
No one in the world understands our vehicles better than our carefully trained technicians. No one can detect and solve problems more quickly and reliably.

WE PROMISE

To keep your trucks delivering value
Every Mitsubishi FUSO vehicle comes with a list of eight promises to provide the world-class service you need. Promises made, promises kept.

All for you

Every Mitsubishi FUSO truck and bus embodies one simple proposition — All for you. So every step of the way from design to manufacturing to maintenance and support, we are constantly thinking about you, our customer, and your needs. Lower cost of operation? Of course. But lower cost alone doesn't make a solid investment. So we build every vehicle to be comfortable and easy to drive. Rugged and reliable, too, to deliver the long-term performance that increases lifetime value. We not only make them easy to maintain, we built them to need less frequent maintenance, and invest in training expert technicians to provide support when you need it. We are always thinking, what could be better for our customer? We do it all for you.
